Role: laboratory physician.

❖ SKILLS

➤ INTERPERSONAL SKILLS

- Self-development as a teacher and researcher.
- Management of a classroom
- Presentation skills
- Self-management
- Laboratory skills in DNA, and RNA extraction and analysis
- Public Speaking
- Multitasking

➤ COMPUTER SKILLS

- Power Point
- Microsoft Teams
- Word
- Excel

➤ Languages

- Arabic: Mother Tongue
- English: C1 Listening, B2 Reading and Writing
